SKILLS

TECHNICAL SKILLS

Programming Languages:

- *C++, C, C#, Python, JavaScript (ES6+), HTML5, CSS3*

Web & API Development:

- *ASP.NET Core Web API, Responsive Web Design, Bootstrap, React.js (Learning)*

Database Management:

- *MySQL, Relational Database Design, SQL Query Optimization, Normalization*

Core Computer Science:

- *Object-Oriented Programming (OOP), Data Structures & Algorithms, Software Engineering Principles, Debugging*

Developer Tools & Version Control:

- *Git, GitHub, Visual Studio, Visual Studio Code*

VENUMI KALANIMA

BACHELOR OF INFORMATION TECHNOLOGY (HONOURS)

Information Technology Undergraduate (Honours) with a strong foundation in Object-Oriented Programming (OOP), Data Structures & Algorithms, C++, C#, and Web Technologies. Experienced ICT Educator with proven skills in explaining technical concepts, problem-solving, and software logic design.

Seeking an entry-level / Associate Software Engineer role to leverage my technical skills, structured programming mindset, and software development practices in delivering scalable solutions.

EDUCATION

Bachelor of Information Technology (Honours)

ESOFT Metro Campus

Currently Year 2

G.C.E Advanced Level Examination

Mahinda Rajapaksha Vidyalaya, Homagama

- Art Stream:
  Political Science: A | Logic & Scientific Method: B | Statistics:C

2021

G.C.E Ordinary Level Examination

Vidyakara Balika Vidyalaya, Maharagama

- Overall: 4 A, 3 B, 2 C | Sinhala: A | English: B | Mathematics: B

2018

WORK EXPERIENCE

ICT Educator

Smart EDU Institute & A+ Institue

Jan 2021 - Present

- Teach foundational computer science principles, G.C.E. A/L Logic syllabus, and algorithmic thinking to advanced students.
- Simplify complex technical concepts, programming logic, and problem-solving methodologies into structured learning modules.
- Developed strong technical presentation, mentorship, code inspection, and communication capabilities.

SOFT SKILLS

- *Communication*
- *Teamwork*
- *Problem Solving*
- *Time Management*
- *Attention to Detail*
- *Adaptability*
- *Leadership*

CERTIFICATIONS

- *Human Resources Management Training Certificate (Merit Pass)*
  HR Training Institute | 2020
- *Diploma in International Relations*
  BIDTI | 2024
- *Diploma in Spoken English (Distinction Pass)*
  British Way Language Academy |2024

Client Coordinator Jan 2022 – Jan 2023
Kinro Advertising

- Managed cross-functional communication between external clients and technical execution teams to deliver project requirements accurately.
- Handled workflow tracking, document management, and structured follow-up activities under tight deadlines.

ACADEMIC PROJECT

Smart Hotel Management System Aug 2026- Nov 2026

- Software development project to support hotel management operations through a digital application.
- Technologies: HTML, CSS, JavaScript, Bootstrap, ASP.NET Core Web API, MySQL.

Gym Management System Feb 2026 - Mar 2026

- Designed and developed a desktop application with complete CRUD (Create, Read, Update, Delete) capabilities and user authentication.
- Integrated C# application logic with a relational database, implementing normalization and structured query execution.

Smart Student Profile Portal Mar 2026 - Apr 2026

- Developed an interactive web-based portal enabling students to view academic profiles, enrolled modules, and administrative information.

VOLUNTEER & LEADERSHIP ACTIVITIES

- Batch Representative & Student Council Secretary – ESOFT Metro Campus
- Organiser & Coordinator – Regional O/L & Grade 5 Educational Seminars
- Event Duty Officer – Official Graduation Ceremonies, ESOFT Metro Campus
